Seymour Tall Cabinet Natural

Storage that doubles as sculpture. The Seymour Tall Cabinet pairs a solid oak frame, oak veneer panels, and rattan doors for a timeless yet textural look. Inside, two adjustable shelves offer flexible storage for anything from serveware to everyday essentials. With its natural materials and tailored profile, Seymour turns everyday organization into a design statement.

- Textured design: Transitional silhouette softened with rattan door fronts and clean lines, blending storage function with modern, natural style.
- Natural materials: Solid oak frame with oak veneer over MDF side panels, offering durability while showcasing the warmth of natural wood grain.
- Crafted construction: Built with solid wood framing, reinforced joinery, and detailed finishes designed to keep the cabinet functional and stable.
- Flexible storage: Two interior adjustable shelves create versatile space, making it easy to organize and adapt for serveware, linens, or everyday items.
