Weston King Storage Bed Brown

A bed that doubles its purpose. The Weston pairs a classic wingback frame with a removable brown slipcover for easy care and two styling options. Upholstered in polyester fabric designed for daily use, it balances comfort with practicality. Beneath the mattress, a hydraulic lift reveals hidden storage for essentials. With its traditional shape and smart details, Weston makes timeless design work harder in the bedroom.

- Wingback silhouette: A traditional wingback headboard with clean lines creates a timeless, adaptable shape for both transitional and modern spaces.
- Brown upholstery: 100% polyester in a warm brown finish provides everyday durability with a finish that blends seamlessly into a bedroom setting.
- Removable slipcover: Fully machine-washable slipcover matches the upholstered frame, offering two easy styling options with simple care and maintenance.
