NOTES

Transitional style with rolled arms and a welt-corded trim detail

Smoothly recline back for added comfort and relaxation

Upholstered in your choice of fabric, including those with performance and sustainability characteristics

The patented Blue Steel Spring™ seat system provides unmatched support and lasting comfort

Sustainably-sourced, kiln-dried wood frame with mortise and tenon joinery for lasting strength and durability

High resiliency seat cushion is engineered to maintain its shape over time

Fiber-filled, semi-attached back cushion is designed to stay in place for a tidy appearance

Square tapered legs are available in three finish options

Handcrafted in North America

To recline, push on arms and lean against the back of the recliner.
