Item Weight: 13 lb

Number of Lights: 3

Suggested Bulb: B Torpedo Tip

Socket Type: E12

Watts per Socket / Item: 60/180

A lovely flowing pattern of leaf shapes make up the shade of the Protean Chandelier that is made of wrought iron in an antique brass finish. At the center is a frosted glass diffuser that softens the glow of the light wafting down from the fixture. A design detail of note is how the gold chandelier is hung on aircraft cable to keep its profile light and airy. We also offer the Protean as a pendant.
