Top Materials: Maple Drawer, Maple Drawer with USB power outlet • Approx. Ship Weight: 135.0
Made in America

Clean lines and a modern, feminine look are signature characteristics of furniture designer Katy Acuff's pieces. The Collins Desk is no exception. The maple drawer top is available with or without a USB power charging unit. Unless otherwise specified, the power unit will always be placed in the far right corner of the desk (as seen from the seated position).
