Overall: 26.25"h x 12"dia

Finish: Natural

Materials: Rope/Wood/Glass

Wrapped in natural rope, the Macati Accent Table/Pedestal is made of wood and topped with a disc of glass. The artistry required to create such a cohesive flow of rope on a piece such as this takes our artisans a great deal of time to master. The rope pedestal has an implied base when the direction of the rope goes from horizontal to vertical. We offer the Macati in a taller version as well as the Malibay Pedestal and accent tables as squarer versions of this design.
