FILTER

Fiesco stands at a sleek 5" height with elegant contours, crafted to revitalize and seamlessly integrate into compact kitchen spaces.

It has a 2-speed internal blower, generating ample ventilation power for the majority of kitchens. Conveniently coordinated rocker switches manage blower speeds and the lighting system. The anodized aluminum mesh grease filter can be effortlessly detached and reinstalled, and it is dishwasher-safe.

PLUS FEATURES

Aluminum mesh filters are a cut above the competition, featuring a triple-layered design of anodized aluminum woven into a highly dense mesh, capturing more grease and resisting staining.
