Item Weight: 8 lb

Number of Lights: 1

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 150/150

The Jocasta Red Table Lamp is a classic shape in a surprising material. Made of clear red glass and metal in a brass finish, the luminous piece will bring a pop of color into a space whether the red table lamp is switched on or not. A design detail of note is how beautifully the glass base fits into the brass ring that connects it to the body, one that illustrates the talent of our glass artisans. We also offer the Jocasta in a green version.
