CAF = Caffè finish

FST = Fieldstone finish

Assembly Instructions

Thank you for allowing us to help you furnish your home. We are certain you will be delighted with your new furniture for many years to come.

IMPORTANT NOTES:

- For normal household use only. *Not* recommended for commercial use.
- Do not overload the drawers or shelves.
- Unload items before you move this unit.
- This assembly requires two people.

WARNING

Serious or fatal crushing injuries can occur from furniture tip-over. Use of tip-over restraints may only reduce but may not eliminate the risk of tip-over.

To help prevent tip-over:

- Place heaviest items in the bottom shelves.
- Unless specifically designed to accommodate, do not set TVs or other heavy objects on top of this product.
- Never allow children to climb or hang on drawers, doors or shelves.

If you would like a tipping restraint Whittier will provide one free of charge. Please contact our Customer Service Department.

Drilling, sawing, sanding or machining wood products can expose you to wood dust, a substance known to the state of California to cause cancer. Avoid inhaling wood dust or use a dust mask or other safeguards for personal protection.

Assembly Instructions

Tool Required: Phillips Screwdriver.

Tool Provided: Leveler Adjustment Key in the Zip bag taped to the Owner's Manual and Safety Guide.

1. To move the Adjustable Shelf (E), remove the #6 x 1/2" Undercut Screws (M) and the Shelf (E). Reposition the Shelf Brackets (L) to the desired positions, replace the shelf and insert the screws. See Figures 1 and 1a.

2. Place the unit at its final destination. Use the Leveler Adjustment Key (ZK), found in the Zip bag taped to the Owner's Manual and Safety Guide to rotate the Slotted Levelers (ZJ) on the bottoms of the legs until the unit is level. See Figures 1 and 1b.
3. **While this is optional, we strongly recommend you complete this step to help make your piers more stable. If you do not wish to screw the piers to the side of your headboard you may contact our Customer service department to request furniture tipping restraint kits for your Piers.** Insert six #8 x1-1/4" Black Screws (N) into the predrilled holes on the side panels of the left and right piers and attach the piers to the Bookcase Headboard. See Figure 3.

Door removed for illustration purposes.
