# Cecil Dining Chair Warm White

Meet Cecil: the dining chair that likes to move with the conversation. Traditional tailoring gets a modern twist with tonal cotton cord trim and a cushioned seat made for lingering. Wrapped in micro-textured polyester in Warm White, it keeps the look clean while the foam-and-fiber fill stays comfortable through long dinners. A 360-degree swivel base lets you turn in and out with ease. Pull up, spin slightly, stay awhile; let the trim do the work.

- Tailored Heritage Mix: Gently rounded dining chair silhouette pairs traditional trim detailing with a modern swivel, so your table setting feels easy and intentional.
- Micro-Textured Upholstery: 100% polyester fabric looks refined and wears well, finished with tonal cotton cord piping that frames the shape with subtle definition.
- Cushy Seat Feel: Foam-and-fiber fill creates a supportive sit that bounces back, keeping the chair comfortable from first course to last.
- 360° Swivel Ease: Built on a smooth swivel base, Cecil turns with you, making getting in and out feel effortless in tight spaces.
- PFA-Free C0 Finish: Performance-treated fabric is PFA-free and C0 rated, helping resist everyday spills while keeping your dining setup feeling low-maintenance.
