## PRODUCT DESCRIPTION

Focus on function. This practical power reclining sofa balances contemporary character and irresistible comfort. Its affordable, expertly matched leather and faux leather upholstery keeps your style up to speed without breaking the bank. Reclining with the touch of a button, this piece plays well in relaxed, luxe seating areas made for quality time.

- Genuine leather covers inside areas such as the back, seat and arm cushions; skillfully matched faux leather covers the remaining areas
- Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation

- Natural variations make each hide unique and do not detract from the wearing qualities of leather
- High-resiliency foam cushions wrapped in thick poly fiber
- Corner-blocked frame with metal reinforced seat
- Attached cushions with X-hash and double needle stitching
- Extended ottoman for enhanced comfort
- One-touch power control with adjustable positions and zero-draw USB port
- Zero-gravity mechanism allows optimum reclining comfort with infinite reclining positions at the touch of a button
- Zero wall recliner design requires minimal space between wall and chair back
- Power cord included; UL Listed
