

DAKOTA

COUNTER HT. TABLE | CM3289BR-RPT-48

DETAILS:

Want a lovely way to start every morning? How about a cozy breakfast on this rustic dinette? The two-tone finish is the star in this ensemble--the table top and seats in warm ash brown color contrasts dramatically with the antique white body frames. They share the same knotty oak veneer that shows multiple dark lines and wood grain, giving the set its natural warmth. Holding up the table top are four bars supported with four legs in a unique pedestal configuration. The diagonal lines create a silhouette that's strictly farmhouse in style.
