

# Out Of Line

## Caracole

Drawing the eye with its distinctive design, this tall chest introduces a bold, modern graphic to any interior. Thin wood strips applied to the door panels create texture and a linear labyrinth for added dimension. Generous storage on the left offers five drawers with side guides and open storage on top, complemented by three adjustable shelves on the right and a full-length mirror on the back of the door for dressing. Tapered legs in Champagne Gold lend a brilliant accent and warm metallic.
