

WILDWOOD CHELSEA HOUSE

301125 • Gator Tile II

14.5h x 14.5w x 4d
Aluminum
Champagne

Add texture and shine to your wall with Gator Tile II. This nature inspired square wall panel is crafted in aluminum and features a texture reminiscent of alligator skin. The champagne finish combines with the bumpy faceted design causing your light to reflect around the room. Use these wall tiles in your rustic home to enhance and brighten your existing decor. (Also available in a rectangular tile)
