

Raja Large Decorative Vessel Beige

Hand-sculpted and tactile, the Raja decorative vessel has the timeless appeal of ancient forms. Completely made and finished by skilled artisans, this vessel's design and craft is based in the traditions of Rajasthan. Constructed from EcoMix, an eco-friendly material, this piece looks to a sustainable future even while it embraces the designs of the past. Add dried flowers or greenery to compliment this piece's unique form. Please note this is not a waterproof vessel and should be used for decorative purposes only. This piece is available in a large and a medium size.

- A decorative vessel made from EcoMix, an environmentally friendly mixture of recycled paper, natural gum & chalk powder
- GRS© (Global Recycled Standard) Certified. The GRS is an international, voluntary, full product standard that sets requirements for third-party certification of recycled content, chain of custody, social & environmental practices, as well as chemical restrictions. Spanning throughout more than 50 countries, the objectives of the GRS are to define requirements to ensure accurate content claims & good working conditions & that harmful environmental & chemical impacts are minimized
- Please keep in mind that due to its materials, this vessel is not waterproof
