PLEASANT HILL WINE SERVER

As the dining space continues to evolve, a broader range of suitable furniture options is being considered. Most of this progression has been driven by a move toward more casual interior design concepts and that is good news for our Pleasant Hill server. It features equal parts storage and display and is completely functional. Two wine bottle trays a visible under a clear glass top while seeded glass doors conceal two adjustable shelves. It also includes two full-depth drawers.

- Two standard drawers
