Item Weight: 8 lb

Number of Lights: 1

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 60/360

A lovely flowing pattern of leaf shapes make up the shade of the Protean Pendant that is made of wrought iron in an antique brass finish. The canister shape of the shade softens the glow of the light wafting from the fixture. A design detail of note is how the gold pendant is hung with links rather than chain to keep its profile light and airy. We also offer the Protean as a chandelier.
