

**ACADIA**  
Wall Stand

## Beautifully Mount Your TV Anywhere Without Construction or Drilling.

The stylish ACADIA Wall Stand, by Salamander Designs, enables you to put a flat screen or TV in literally anywhere without any wall damage or construction. This elegant, ultra-slim design fits in beautifully in any home entertainment room, home office, bedroom – or any location where you want a display without taking up floor or wall space.

**Sleek, modern  
solution for any  
home or office  
spaces.**

# Mounting a TV has never been this simple!

Regardless of your room, wall type or display screen size, ACADIA Wall Stand allows you to hang your TV without drilling or hassle.
