PRODUCT DESCRIPTION

Traditional style doesn't have to be stuffy. It can feel warm, inviting and beautifully in the moment. Case in point: this California king upholstered panel bed. The alluring piece features a distinctive headboard with a shelter wing design. Its cushioned bench footboard provides the perfect place to sit and slip on your shoes. How's that for relaxed refinement?

- Includes upholstered headboard, panel rails and bench footboard with slats
- Made with hardwood solids, veneers and MDF substrates
- Brown finish
- Polyester upholstery
- Nailhead trim
- Turned feet
- Assembly required
