Shiga/Sanded Brown Glaze

The Mako Lamp, part of the Shiga collection, is a striking statement piece that brings artistry and scale to your home. Hand-turned in Japan, this large-scale lamp showcases the unique craftsmanship of the Shigaraki region. The textured ceramic body is finished with a splatter glaze, creating a rugged surface that feels organic and rich with character. Each lamp is a one-of-a-kind creation, making it a true work of art.
