## Naomi 2 Piece Concave Modular Sectional Dark Brown

Ahead of the curve. Naomi brings curves into the conversation. This 2-piece concave modular is part of a sculptural seating system that plays well solo or paired with its counterparts. Configure it into a crescent, stretch it across a room, or build something totally custom—it's shape-driven design that moves with the space. Upholstered in soft, textured fabric in rich tones, Naomi is as plush as it is playful. No corners, no rules—just better flow.

- Versatile Modular Design: Consisting of two unique sofa components. These components can be arranged together as a concave centerpiece or independently, allowing you to create a variety of eye-catching configurations.
- Soft, Textured Comfort: Plush foam and fiber fill are upholstered in a sumptuous, textured fabric that showcases rich hues, adding depth to the living area.
