Size: 22" x 22" x 12.25"ht.

Cushion: Cush20150

Product Description

The Laguna Ottoman is 100% solid, plantation grown teak and partners with a cushion covered in fade- and mildew-resistant Sunbrella® fabric, providing the perfect foot rest.

Features

- Sunbrella® cushion covers provide unmatched fade, moisture and mildew resistance, and can be easily unzipped for cleaning.
- Because the wood is reclaimed, it has already been aged and dried so there is no need for an additional step to control moisture.
- Plush, overstuffed cushions are made from quick-drying polyurethane foam wrapped in moisture and mildew-eliminating Dacron fibers.
- Hardware is zinc-coated steel that has been plated in brass. The zinc helps minimize corrosion, steel was chosen for strength and brass for its luster.
- Our Plantation Teak products are plantation-grown and harvested from mature trees that are 50-60 years

old.

- This line of teak is part of a replenished forestry program, where a new tree is planted for each one that is harvested.
- Grade B Teak.

Cleaning/Care:

- You may choose to allow your natural teak to weather to a beautiful silver-gray patina or treat it with an oil or sealer specifically made for natural teak twice a year to preserve the natural wood/teak's golden finish.
- Natural teak may be cleaned using a wood cleaner, or lightly sanded with 600 (or higher) grit sandpaper.
