

This 5.4 cu. ft. capacity top load washer from Maytag delivers the stain-fighting power that’s built to handle tough loads. Use Extra Power for boosted stain fighting on any wash cycle while the Power™ agitator uses a 360-degree wash action to break up messes and knock the stubborn out of stains. The Deep Fill option delivers more water when you want it while the built-in water faucet rinses, spot treats or soaks clothes right in the washer—no extra steps needed. The durable 5-knob console along with the 10-year limited parts warranty* on the drive motor and wash basket tie it all together to help you easily power through laundry day. *See product warranty for details.
