

TRUFORM

7.25" ELEVATE FOAM | FIRM TIGHT TOP

CertiPUR-US® Certified

Made in the USA

5-Year Limited Warranty

THE BUILD

- Fire barrier is made from a blend of fine denier silica-based rayon and other polymeric fibers that are thermally bonded and lofted.
- This quilt foam layer is medium-firm and designed to conform to your body while providing long-lasting support.
- Two non-woven insulator high-density fiber pads that provide stability, and support to your mattress.
- The 6" non-woven VertiCoil layer system features a strong perimeter and consistent coverage across the entire surface of the bed and helps reduce sagging and roll-off.
