Corrina Pendant Lamp Small White

Layers, but make it light. Corina strips vintage down to its essentials.The sculptural, tiered shade brings the drama, but the sheer fabric keeps it light. Minimal hanging hardware makes space for the silhouette to shine. The result? A pendant that feels both sculptural and serene—equal parts throwback and fresh start.

- Tiered and Timeless: Inspired by the Art Deco era, it features a bold, tiered sheer shade with a classic silhouette and vintage-inspired design.
- Mixed Material Minimalism: The tiered sheer cotton shade allows light to gently diffuse through, creating a soft, inviting ambiance, while the lamp's minimalist black steel post ensures the focus remains on the shade.
- Comes with hanging hardware for secure ceiling display
