2-in-1 Wet and Dry Vacuum Complete Home

The Electrolux Complete Home Wet & Dry Vacuum is expertly designed to tackle every day messes, from muddy paw prints to juice spills and everything in between. With a 2-in-1 design you can clean your home's hard surfaces with the flexible wet & dry nozzle which features edge-to-edge cleaning, allowing you to clean along cabinets and under chairs with ease, while the hand unit makes cleaning furniture or small spaces possible in one convenient unit. This vacuum is also equipped with a motorized bristle nozzle which allows you to clean your carpets and area rugs for a complete home cleaning. Maintenance is easy with the built-in self-clean technology which washes and dries your nozzles and the fuss-free bin system keeps wet and dry debris separate for easy emptying.

Consumer Benefits

Motorized Bristle Nozzle

Attach the Motorized Bristle Nozzle to clean dry messes on area rugs, carpets and hard floors for complete home cleaning

Continuous Cleaning

Clean up to 1,644 Sq. Ft. of hard floors with a single battery charge, leaving floors dry in less than 90 seconds

**Based on internal testing, actual result may vary depending on environmental factors*

Powerful Suction

Picks up 98.8% of dirt and dust on hard floors

Based on internal testing

Edge-to-Edge Cleaning

The slim and flexible Wet/Dry nozzle features an edge-to-edge design, making it easier to clean along baseboards, under kitchen cabinets, and around dining room tables

2-in-1 Cleaning

Detach the hand unit for small messes, furniture, or hard-to-reach spaces. For thorough home cleaning, attach the bristle nozzle or the wet & dry nozzle.

Self-Clean Technology

Make sure your vacuum is ready for the next big clean with the self-cleaning + auto dry features which washes your nozzles and dries them at a high heat helping to reduce odor-causing bacteria
