## Tumble Ottoman

Seriously comfortable, seriously stylish. Either at home or in your commercial space, you can get cozier & cushionier using furniture that encourages the softer moments of calm & focus - just like Tumble's mix and match modular pieces. Tumble's corduroy naturally softens the sharp edges and hard lines of other contemporary accents like coffee and end tables with its inherent plushness. An ideal ottoman framed in solid eucalyptus wood with extra, fully down-filled cushion. This ottoman's soft corduroy will immediately add dimension, intrigue, lift, and comfort to any environment.

- Super soft corduroy fabric, perfect for lounging
- High-density foam seating for maximum comfort & durability with spring & webbing support
- Subtly exposed block leg design
- Modular furniture to configure as desired
- No assembly required
