# Ola Wall Sculpture

Soft shape, strong presence. The Ola Wall Sculpture layers playful forms into a modernist composition that feels calm, not quiet. Tonal beige and white create an aged, natural-look finish that warms up blank walls without taking over the room. Made with Ecomix (recycled paper, natural gum, and chalk powder) over an MDF base, it adds dimension with a lighter visual touch. Hanging hardware is included—so styling starts the minute it arrives.

- Layered Modern Forms: Stacked shapes create a dimensional, modernist arrangement that adds depth and movement while keeping the overall look clean and easygoing.
- Tonal Natural Finish: Beige and white tones deliver a warm, aged-look effect, making it an easy match for natural, modern, or relaxed interiors.
- Hang-Ready Hardware: Hanging hardware is included for straightforward mounting, so it's simple to place solo or alongside other wall pieces.
