All our bone inlay products are made  
from either camel bone or water  
buffalo and strictly adhere to all  
guidelines for the ethical treatment of  
animals. The bones are sourced from  
animals who have died of natural  
causes and all materials are certified  
by local authorities. The practice also  
happens to be sustainable since it  
recycles bone from both local and  
nearby countries that would  
otherwise consider it waste material.

To clean, wipe clean with a clean dry  
cloth and dust regularly. If spills  
occur, wipe spills with a damp cloth  
and dry immediately. No abrasives or  
household cleaners which can  
damage the wood. Drink coasters are  
recommended
