

Install your Gladiator® GearWall® Panels and GearTrack® Channels with Color Matched Screws to create seamless wall storage. Screw heads match Gladiator® wall systems for a more finished look, and screws mount directly to bare wood studs or drywall over wood studs. One pack contains enough screws to mount one 8-foot (243.8 cm) GearWall® Panel or four 4-foot (121.9 cm) GearTrack® Channels.

## Color Matched Screws (32-Pack)
