Finish: Antiqued Green

Materials: Composite

Item Weight: 15.0 lbs.

The Cactus Vase Set includes three vases are made of composite to resemble cement. The vases are slathered in varying shades of green for an aged verdigris ombré effect, and the matte glazing, achieved by a dry finish, increases the patina of each of these accessories. The artisans who created these vessels hand-applied the finish, which means they will vary slightly from vase to vase.
