MOE'S

Davie Nook Modular Sectional Olive

Corner-ready and cushion-heavy—Davie turns one spot into everyone's favorite. This modular nook sectional wears earthy olive textured chenille to warm up the room fast. Plush cushions combine a foam core with feather-and-fiber wrap, plus six toss cushions for flexible support. S-spring suspension with webbing keeps the sit buoyant, while a plywood frame stays steady. PFAS-free C0 performance treatment helps everyday messes wipe clean. Claim your corner, then stay awhile—it's modular comfort with built-in boundaries.

- Nook Sectional Shape: Modular nook layout in Olive chenille creates a cozy landing zone, with clean lines that keep the room feeling organized.
- Textured Polyester Chenille: 100% polyester upholstery feels soft and textured, designed for everyday use while keeping color and texture looking fresh.
- Buoyant Seat Support: Plywood frame pairs with S-spring and webbing suspension to add bounce and help the cushions hold their shape over time.
- Toss Cushion Boost: Includes six toss cushions to prop, stack, or share, so you can fine-tune support for reading, naps, and movies.
- PFAS-Free C0 Treatment: PFAS-free, C0 performance-treated fabric helps resist everyday messes and makes quick cleanups easier, without changing the soft chenille feel.
