NOTES

Available in more than 250 fabric options
Also available in Performance fabrics - Revolution and LiveSmart
Removable backs allow for easy lifting and maneuvering through doorways.
Also available with console (2900-601)
Also available with power reclining (2900-60M)
Also available with power reclining and console (2900-601M)
Also available with power reclining and power headrests (2900-60H)
Also available with power reclining, console, and power headrests (2900-601H)
Power allows you to smoothly recline to any position.
A single USB port is included on each power button control on styles with arms.
The power control allows you to independently adjust the recline and headrest.
A separate home button returns the headrest and footrest to their original positions with one touch.
A USB port is included on the power control for powering electronics.
Zero draw technology only uses power when the USB port is in use.
