**Product Description:** Add refined comfort to your dining space with the Westwood Upholstered Side Chair. Designed for those who value both style and luxury, this chair features a fully upholstered seat and back in performance fabric, offering long-lasting durability and comfort. The Polished Limestone finish on quartered oak veneers complements the modern silhouette, while the wood base and tapered legs bring a sophisticated touch. Perfect for modern and contemporary dining rooms, this chair is a seamless blend of subtle luxury and timeless design.

**Collection Features:** Understated and elegant, the Westwood Collection was designed for those who appreciate the finer things in life. Exuding a "quiet luxury" lifestyle, Westwood seamlessly blends minimalist aesthetics with sophisticated comfort. Crafted with quartered oak veneers, the Polished Limestone finish offers a soft hand, adding character and depth to the group. Plated hardware and silver-leaf detailing adds to the soft modern appeal. Designed for those who value subtle sophistication, the whole home collection with coordinating upholstery can easily transform any space into an elegant haven of serenity and style.

**Status:** New

**Finish:** Polished Limestone finish on quartered oak veneers

**Features:** Fully upholstered seat and back

Performance fabric

Wood base and tapered legs

**Material:** Wood and Fabric

**Finish Construction:** Hooker Furniture utilizes a multiple-step finish process of up to 16 finish steps. This results in an unsurpassed clarity, depth and color richness and durability to our finishes. Through hand-craftsmanship such as rubbing and padding, our finishes feel as good as they look, with a smoothness that is delightful to the touch.

**Frame Construction:** Hooker Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

**Fabric 1:** Tillson Cloud (Performance); Fabric Contents: 100% Polyester
