

QUEEN PANEL BED - COMPLETE

Leaving room for the solid wood to stand out, the Cherry Park Panel Bed is a timeless design for those seeking clean lines. It features framed, raised panels in the headboard and matching footboard. Or for additional storage, it can be configured with the optional storage footboard. It is available in queen, king, and California king sizes.

- Bed package includes headboard, matching footboard, rails and center support system.
- Cherry

Solid Wood - Made using genuine solid wood construction
