SENSOR TruDry™

1-Hour Wash & Dry

The STRAWash™* Dishwasher delivers the ultimate in performance and flexibility, providing an all-in-one solution for both dishes and hard-to-clean items. No more hand-washing straws, tumblers, and lids—our industry-first Total Tumbler Clean** uses dedicated jets and specially designed holders to deep clean your favorite drinkware. Each of the dishwasher's three racks features its own spray arm for powerful, consistent cleaning, while SENSOR TruDry™ uses intelligent convection heating to dry dishes down to the last drop.
