PRO GRADE

Finicky sleepers, rejoice! If you find yourself dreaming about someday, somehow getting a good night's sleep, you've found your answer. Our Pro-Grade Znergy Sleep System mattress utilizes eight purpose-built layers of technologically-advanced materials to provide the luxurious comfort, pressure-free support, and perfect temperature regulation you need to sleep through the night and wake up feeling your best.

FEATURES AND BENEFITS:

- Copper Znergy infused cover for permanent anti-odor benefits
- Adaptive Support Technology ensures ideal alignment and comfort
- Combined 2-inches of Cooling Gel Foam offers elite heat dissipation
- 2-inch Copper Infused Foam is anti-odor and thermal regulating
- NanoCoil Performance comfort layer provides personalized support
- 5-zone Compression Support Coils system reduces motion transfer
- 1-inch support layer for shock-proof use on any box spring or foundation
- Nano Compression Recovery Support for contoured comfort

COPPER ZENERGY®

Our patented Copper Znergy® technology is a premium, environmentally-friendly anti-odor technology that fuses the natural benefits of copper and zinc to enhance the performance of our fabric. Copper Znergy® technology prevents the growth of odor-causing microbes on the fabric for permanent anti-odor benefits that won't wash out.
