

## NW-WS623/B

**Waterproof and dustproof Walkman® with Bluetooth®**

### Features

---

#### **Waterproof and dustproof**

Durable, tough design. This is the ultimate sporting companion. The IPX5-rated splashproof remote control can be used in light rain or rinsed under the tap, and the IPX5/8-rated waterproof headset can be fully submerged in saltwater to a depth of 6.56 feet. Both are IP6X-rated dustproof, so you can take your run or workout to the beach.<sup>1</sup>

#### **NFC and Bluetooth®**

Stream music and other audio wirelessly from your smartphone via Bluetooth®.

#### **Up to 16 GB storage for audio**

Load up the Walkman® with your favorite playlists or podcasts.

#### **Ready for extremes**

If you're a hiker or a climber, the NW-WS620 is your perfect companion, enduring extreme temperatures between 23°F and 113°F.

#### **Salt waterproof**

Salt waterproof to a depth of 6.56 feet, the NW-WS620 can be submerged for up to 30 minutes, making it perfect for swimming and water sports.<sup>2,3</sup>

#### **Dustproof**

Whether you're doing sand-based sports or simply running along the beach, our durable Walkman® can withstand small particles.

#### **The freedom to stream**

Fancy spontaneously changing your regular training playlist? Stream music or other audio wirelessly from your smartphone, using Bluetooth®.

#### **Ambient Sound mode**

Ambient Sound mode uses the microphones built into the left and right side of the Walkman to allow you to hear the ambient sounds around you, even as you listen to music. So, you can listen to your fitness instructor or talk to your friends without missing a beat.

#### **Lasting comfort**

Wearable, ergonomic in design, slim and light, the NW-WS620 is comfortable and stays in place whatever your sport.<sup>6</sup>

#### **Lasting power**

Enjoy a 12-hour battery life.<sup>4</sup> Or if you're stuck for time, a three-minute power-up gives 60 minutes of listening time, so you can charge while you get ready.

#### **Smartphone-compatible**

Stream from your smartphone via Bluetooth® with simple One-touch NFC pairing.

#### **Bluetooth® remote control**

Take calls and change tracks via the compact, splashproof remote. Attach it to your finger or wrist for fuss-free audio control.<sup>5</sup>

#### **Standard and waterproof earbuds for versatile listening**

Get the best sound for your workout with a choice of standard or waterproof earbuds. Standard earbuds give you a comfortable fit and balanced sound. Hitting the pool? Switch to the waterproof earbuds; a thin film covers each earbud, preventing water damage within the Walkman and optimizing sound levels for underwater listening.

#### **A built-in microphone for hands-free calls**

You don't have to pause your workout to take that important phone call. With a built-in microphone and Bluetooth® connectivity, you can make and answer calls wirelessly from your smartphone.

**Drag and drop all your files**

With a Walkman® player, you are never tied to just one music service. Just drag and drop MP3s from iTunes®, Windows® Media Player or Internet Explorer® and enjoy. Multi-format playback also lets you play WMA, AAC-LC, or L-PCM music files.
