Material: Leather

Seat Back: Filled with precision cut foam and highly resilient polyester fibers or filled with 100% virgin polyester fibers enclosed in a special ticking for pillow soft comfort.

Seat: A high resilient, high density foam core wrapped with virgin polyester fibers, assuring luxurious comfort and pleasing crown appearance. This is then covered with a special ticking for pillow soft comfort.

Leather: Graphite 366-952 (Aniline Top Grain)

Padding: Pattern cut urethane foam that is padded with felt polyester fibers, assuring the important qualities of comfort, loft, resilience, and good recovery.

Important Use Information: We highly recommend the use of an appropriate floor mat under our Executive and Office Chairs. Failure to use such floor mats will result in caster failure and will void any claims to floor or carpet damage on all makes and models of flooring.
