

# Instructions for Assembling MGP Adirondack Chair & Ottoman

Applies to both Adirondack Sling and Adirondack All MGP Collections.

## Chair Assembly Instructions

1) Unpack chair and place on it's side on a non-marring surface. (fig. 1 )

2) Unfold the chair taking care to line up the bolt holes with the threaded inserts. (fig. 2)

3) Remove hardware from hardware bag and hand start both bolts on first side. (fig. 3)

4) Flip chair over and repeat step 3.

5) Set chair upright on flat surface and securely tighten all bolts (10) including bolts pre-assembled in chair. (fig. 4)

## Ottoman Assembly Instructions

1) Unpack ottoman and place on it's side on a non-marring surface.

2) Unfold the ottoman taking care to line up the bolt hole with the threaded insert. (fig. 5)

3) Remove hardware from hardware bag and hand start bolt.

4) Flip ottoman over and repeat step 4.

5) Securely tighten all bolts (4) including bolts pre-assembled in ottoman. (fig. 6)
