The Rhapsody Three Drawer Nightstand brings together classic style elements and a relaxed, rustic finish in an impassioned marriage of casual opulence. Exuberant design motifs such as an acanthus leaf molding around the base, column motifs on the edge of the case and ornate bun feet infuse the piece with emotion. The walnut-colored finish is inspired by the rustic nature of reclaimed woods in beautiful patinas. The three drawers include a cedar-lined bottom drawer. On the back is a convenient receptacle for use with electronic devices, and a light that illuminates from the bottom of the nightstand offers ambience.
