

Keystone / KSTAW14DE

14,500 BTU Window A/C, Cool Only, Remote Control, 115V

Stay cool and comfortable with Keystone's reliable window-mounted air conditioning units, designed to deliver consistent cooling even on the hottest days. This 14,000 BTU window AC unit can effectively cool rooms up to 650 square feet, while also removing up to 2.1 pints of moisture per hour for improved air quality. Ideal for medium-sized living spaces such as apartments, dorm rooms, and sheds, this unit features a unique remote control with a built-in thermostat. It senses the temperature of your specific location in the room and adjusts the cooling accordingly, providing personalized comfort. In addition to its cooling capabilities, this AC offers money-saving features, including energy saver mode, sleep mode, and a programmable 24-hour timer. With these options, you can optimize energy usage and customize your cooling preferences to fit your schedule. The Check Filter alert ensures that you never forget to clean the mesh filter, maintaining efficient airflow and prolonging the lifespan of the unit. With a 1-year warranty, Keystone not only prioritizes your comfort but also ensures a cost-conscious price. Invest in Keystone's reliable window-mounted air conditioning units and enjoy a cool and comfortable living space throughout the summer.
