Description

Designed for ultimate versatility and comfort, this modular sectional features beautifully shaped flared arms, French seaming, and low block legs for a modern, tailored look. Loose box border backs and our Super Soft seating package—featuring luxuriously soft seats, backs, and toss pillows—invite you to relax in style. Every piece is fully finished on all sides, allowing it to stand beautifully on its own or connect seamlessly with others. A wide-width chaise adds an extra layer of lounge-worthy comfort. A matching bumper ottoman with casters (style 751001SS) can be used as a cocktail ottoman or can be pushed up to the ...
