Features

- The Original Dimplex Flame Effect™**
A blend of technology, artistry and craftsmanship that sets the standard for realism.
- Patented Inner Glow Logs**
Individually molded and hand-finished logs pulse and glow from within for the look of natural burning logs.
- Primary Heating**
Option to use 240 volt supply for up to 9,200 BTU - use as part of primary heating plan.
- Wired, Seamless Design**
Designed for built-in installations wired directly to a dedicated circuit for a clean, custom appearance (Optional plug kit available).
- Options**
Door kits, trim kits and control options available.
- All-season Flames**
Enjoy the unique charm of a fireplace 365 days a year using the flames without the heat.
- Economical**
Economical to operate costing only pennies per hour.*
- Low Carbon Footprint**
The most sustainable fireplace option; no emissions and 100% efficient.
- Just plug It In**
Simply plug into any standard household outlet for instant ambiance.
- Cool-touch Glass**
Glass remains cool making it safe for any location and any user.

* Based on national average residential electricity rate. Rates vary.
