Evermore Coffee Table Brown

Turned legs and warm oak grain anchor the living room with quiet presence. A natural oak finish lets the open grain show across the top, while turned detailing on the legs and stretchers runs through the Evermore for a considered, handcrafted feel. Two drawers with small brass knobs keep remotes and odds and ends out of sight. Foundational and versatile, it sits easily alongside a wide range of wood tones and fabrics. A coffee table with character to spare.
