Collection Features: With an increased emphasis on individuality and modern design and offering more than 75 skus, the collection – called Plaza Midwood – features moderately scaled items and customizable pieces, making it the perfect collection to reach a new target audience – the next generation of luxury furniture buyers. Designed to better serve younger generations and consumers who live in loft-style spaces or homes with open concept floorplans, the collection offers smaller, yet functional pieces. The customizable stationary upholstery program includes numerous sectional pieces, sofas, swivel chairs, recliners, loveseats and chairs with coordinating ottomans. Each item is available in leather, fabric or a leather/fabric combination and can be tailored to the customer's personal preference with a choice of four unique arm styles and two leg styles.

Status: Active

Finish: Standard Mahogany finish. Other finishes available at no additional cost.

Padding: For quality tailoring and durability, the outsides are padded with strong bonded fibers.

Material: Leather

Frame Construction: The frame is engineered from the finest multi-ply, 7/8 inch laminated hardwood components that are precision machined for an exact fit. Mortise and Tenon joints are reinforced with cross-banding to create frames with superior dimensional stability.

Seat Back: Loose back cushion firmly secured with Velcro. Filled with 100% virgin polyester fibers enclosed in a special ticking designed to provide pillow-soft comfort.

Seat: Spring Down-Cushions consist of a 4 1/2 inch MARSHALL coil unit encased in premium foam. The cushion is then wrapped with a low melt fiber on top and bottom. The Spring Down cushion is then surrounded by a down-proof ticking filled with a luxurious blend of down, feathers and fibers. This cushion is designed to provide superior comfort combined with great resiliency.

Seating Construction: This style employs double-cone coil springs that are eight-way hand tied and then secured to polypropylene webbing that is reinforced with steel banded grids for additional support.

Leather: Hundreds of leather options available.
