Mabel 6 Drawer Dresser Dark Brown

Curve meets edge. Mabel is all about sculptural detail done right. A curved base gives a subtle nod to tradition, while inverted diagonal legs add lift and a modern twist. The wire-brushed Acacia brings out texture and tone, highlighting the wood's natural grain. Compact, confident, and grounded by design.

- Modern Curved Design: A pared-back curved frame detail, offering a contemporary take on traditional style.
- Subtle, High-Impact Design: The most prominent feature, inverted diagonal legs add visual interest and create a lighter feel.
- Durable, Rich-Grained Acacia: Crafted from sturdy Acacia wood, renowned for its striking color and intricate grain patterns.
- Wire Brush Finish: A wire brush finish enhances the natural beauty and texture of the acacia wood.
- Open-Drawer Safety Stops: Built-in safety stops add stability, support, and tip-over prevention, bringing a layer of security to everyday use.
