Product Francois Silver Leather 70.5" Buffet
Description: Sideboard in Silver
Long This modern buffet is magnificent in every conceivable way. Its sleek lines are adorned in finely tailored leather atop a silver platform base. Its two doors feature silver-finished handle bar pulls open to reveal a luxurious interior fully lined in poly suede with meranti wood trim and offer two adjustable shelves in each of the two side storage compartments. There is one adjustable shelf in the center storage compartment and a tray drawer with a silver leather front. This is meticulously and expertly crafted and features ball-bearing glides for smooth operation. Masterfully crafted from meranti wood solids and wood products.
