Product Description: The Denman Server is located squarely at the intersection of traditional function and transitional style. This classic dining room piece has been upgraded with a clean, modern look. Flanked by three generous drawers on either side, the double doors open to reveal a spacious cabinet storage area. Warm hickory veneers and custom oil rubbed bronze finish metal bar pulls and knobs finish off the look, creating a timeless piece that will be enjoyed for years to come. Mix and match with other pieces of the Denman collection for coordinated dining room styling.

Collection Features: Inspired by Drew and Jonathan's upbringing in the Pacific Northwest, Denman is larger in scale, with lower and deeper profiles. The dining group includes a rectangular table with two 18" leaves and a bar-height table and sideboard. Coordinating dining seating options include a side chair and stool with leather upholstery.

Status: Coming Soon 1

Finish: Rich brown finish on Hickory veneers with oil rubbed metal finished knobs and bar pulls
