ELEVATE YOUR WELLNESS & COMFORT

WITH NIRVANA™ SWEDISH AIR MASSAGE & FULL-BODY HEATWAVE™ FAR INFRARED TECHNOLOGY

Nirvana™ inflating air massage chambers that elongates muscles from prolonged sitting!

NIRVANA™
SWEDISH MASSAGE

What is Nirvana™ Swedish Air Massage?

Nirvana delivers a gentle, full-body soft tissue Swedish massage with ten air chambers that target over

500 square inches of your body.

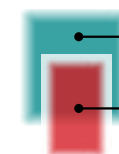

It features separate massage and heat controls for your lumbar, glutes, and hamstrings plus two modes for soothing or stretching massage, allowing you to adjust and customize your comfort level for total mind and body wellness.

What is HeatWave™ Technology?

This innovative technology uses invisible Far Infrared light waves to deliver therapeutic warmth from your shoulders to your feet, that penetrates up to three inches into body tissue. It can help reduce inflammation, relieve joint pain, alleviate muscle tension, improve circulation, and support injury recovery.

Healthy Benefits of Nirvana Swedish Air Massage with HeatWave Technology

The soothing Swedish massage and deep penetrating Far Infrared heat work together to relax and elongate muscles, relieving stiffness that can result from prolonged sitting. This combination of therapies will transport your mind and body into a state of bliss, restoring your body from the inside out.

Represents Nirvana™ areas.

Represents HeatWave™ areas.

Wellness benefits can include:

- Decreased pain & discomfort
- Enhanced relaxation
- Improved flexibility & range of motion
- Improved posture
- Increased blood flow
- Better quality of sleep
- Reduced anxiety
- Encouraged cellular recovery
- Better overall mind & body wellness

ELONGATE, RESTORE & REVITALIZE YOUR BODY!

Nirvana™ available on The Maya Only

Level Up Your Comfort Experience and Add One of These Luxury Heat Options!

OPTION 1: FAR INFRARED HEAT

FAR INFRARED HEAT FOR YOUR BACK, SEAT & LEGS

Like a ray of sunshine, this innovative technology produces invisible Far Infrared heat waves that deliver healing warmth up to three inches deep into body tissue where it is most effective. Using HeatWave Technology™ helps us feel more relaxed, get better sleep, and react to stress in a calmer way throughout our day.

*Standard on the UC520 & UC472.
Available as an optional feature
on the UC568, UC562 & UC556.*

Possible Benefits of HeatWave Technology:

- Promote Overall Mind & Body Wellness
- Provide Pain Relief
- Enhance Relaxation
- Improve Circulation
- Reduce Anxiety
- Stimulate Cellular Recovery

OPTIONS 2 & 3: HEAT & VIBRATING MASSAGE

Ambient heat paired with vibrating massage provides a relaxing experience that can soothe sore muscles and provide a feeling of relaxation and warmth. Allow the vibration of the massage to stimulate the nerves while the heat encourages tight muscles to relax.

DELUXE OPTION

- Heat in the lumbar with two settings: Low & High
- Four vibrating massage motors: two in the lumbar & two in the seat
- Two vibration settings: Wave & Pulse
- Adjustable massage intensity & speed

*Available on the UC682,
UC568, UC562, UC559's
& UC556.*

BASIC OPTION

- Two vibrating massage motors in the lumbar
- Heat in the lumbar

Standard on the UC342.

noun | a place or situation where one feels safe or at ease without stress

Comfort Zone™
by ULTRACOMFORT

Comfort That's Patented

The Comfort Zone by UltraComfort offers a stress-free reclining experience by providing up to five patented and supportive positioning zones that can increase your body's wellness and optimize the feeling of comfort.

LOWER BODY

Zone 1 helps provide ergonomic relief to the muscles and joints in your lower body with the four-way motion of the seat and adjustable footrest.

UPPER BODY

Zone 2 allows stress and strain to be released from your upper body by adjusting the backrest to suit your needs. This combined with Zone 1 creates our patented Stellar positioning.

HEADREST

Zone 3 helps relieve strain or tension with an adjustable headrest that supports the natural positioning of your neck, shoulders and spine.

LUMBAR

Zone 4 offers adjustable lumbar support to help take pressure off your spine while giving your lower back muscles a chance to rest and rejuvenate.

ECLIPSE TILT

Zone 5 helps to encourage circulation, release muscle tension and alleviate joint pain with the first-of-its-kind, **PATENTED Eclipse Tilt**. This feeling of weightlessness moves you into a zone of comfort that you never felt before!
